

Achieve Student Locker Contract

I understand that the following are rules related to my use of a school locker. To use a locker is a privilege, not a right. The locker is the school's property and my use of it may be suspended or taken away if any of the following rules are not obeyed.

1. I will keep my locker clean and neat. I will not deface in any way either the inside or outside surfaces of my locker, this includes but is not limited to putting stickers or pictures on any locker surface, writing on/in the locker, etc.
2. I will not let any other student share my locker.
3. I will only keep my jacket and other outside wear and school materials in my locker. I will not keep unauthorized items in my locker such as but not limited to, toys, electronic games, drugs, weapons, food, money or other valuables, etc.

The loss of any personal or school properties from my locker will be my responsibility. **The school will not be responsible for replacing any item lost from my locker.**

4. Grades 5-8 - If I choose to put a lock on my locker I must rent a lock from the school. I am responsible to know how to open a combination lock and not continually ask for help opening my locker. I will memorize my combination and not give it to other students. There is no charge for the lock but I am required to give the school a \$10.00 deposit that will be returned to me when I turn the lock in at the end of the year.
5. I understand that I may only go to my locker at designated times or if I have permission from my teacher.
6. I will not go in any other student's locker at any time.
7. I will not play in or around the lockers at any time.

I understand that I must agree to obey all of the above rules or my locker privileges could be suspended or terminated.
