UPDATED:

I. PURPOSE

The school district recognizes the value of participation by the public in deliberations and decisions on school district matters. II. GENERAL STATEMENT OF POLICY

The school district encourages discussion by citizens of subjects related to the management of the school district at school board meetings. VI. PROCEDURES

A. Agenda Items

1. Persons who wish to have a subject discussed at a public school board meeting are encouraged to notify the superintendent's office in advance of the school board meeting. The citizen should provide his or her name, address, the name of group represented (if any), and the subject to be covered or the issue to be addressed.
2. Persons who wish to address the school board on a particular subject should identify the subject and identify the agenda item(s) to which their comments pertain.
3. The school board chair will recognize one speaker at a time, and will rule out of order other speakers who are not recognized. Only those speakers recognized by the chair will be allowed to speak. Comments by others are out of order. Individuals who interfere with or interrupt speakers, the school board, or the proceedings may be directed to leave.
4. The school board retains the discretion to limit discussion of any agenda item to a reasonable period of time as determined by the school board. If a group or organization wishes to address the school board on a topic, the school board reserves the right

to require designation of one or more representatives or spokespersons to speak on behalf of the group or organization.

5. Matters proposed for placement on the agenda which may involve data privacy concerns, which may involve preliminary allegations, or which may be potentially libelous or slanderous in nature shall not be considered in public, but shall be processed as determined by the school board in accordance with governing law.
6. The school board chair shall promptly rule out of order any discussion by any person, including school board members, that would violate the provisions of state or federal law, this policy or the statutory rights of privacy of an individual.
7. Personal attacks by anyone addressing the school board are unacceptable. Persistence in such remarks by an individual shall terminate that person's privilege to address the school board.
8. Depending upon the number of persons in attendance seeking to be heard, the school board reserves the right to impose such other limitations and restrictions as necessary in order to provide an orderly, efficient and fair opportunity for those present to be heard.

B. Complaints

1. Routine complaints about a teacher or other employee should first be directed to that teacher or employee or to the employee's immediate supervisor.
2. If the complaint is against an employee relating to child abuse, discrimination, racial, religious, or sexual harassment, or other activities involving an intimidating atmosphere, the complaint should be directed to the employee's supervisor or other official as designated in the school district policy governing that kind of complaint. In the absence of a designated person, the matter should be referred to the superintendent.
3. Unresolved complaints from Paragraph 1. of this section or problems concerning the school district should be directed to the superintendent's office.
4. Complaints which are unresolved at the superintendent's level may be brought before the school board by notifying the school board in writing.

C. Open Forum

The school board shall normally provide a specified period of time where citizens may address the school board on any topic, subject to the limitations of this policy. The school board reserves the right to

allocate a specific period of time for this purpose and limit time for speakers accordingly.

The school board may decide to hold certain types of public meetings where the public will not be invited to address the school board.

Possible examples are work sessions and board retreats. The public will still be entitled to notice of these meetings and will be allowed to attend these meetings, but the public will not be allotted time during the meeting to address the board.

D. No Board Action at Same Meeting

Except as determined by the school board to be necessary or in an emergency, the school board will not take action at the same meeting on an item raised for the first time by the public.

VII. PENALTIES FOR VIOLATION OF DATA PRIVACY
