Nothing in this policy will prevent any person from reporting harassment or violence directly to a District Human Rights Officer or to the Superintendent.

1. The building principal is the person responsible for receiving oral or written reports of religious, racial or sexual harassment or violence at the building level. Any adult School District personnel who receives a report of religious, racial or sexual harassment or violence shall inform the building principal immediately.
2. Upon receipt of a report, the principal must notify the School District Human Rights Officer immediately, without screening or investigating the report. The principal may investigate but may not insist upon a written complaint. A written statement of the facts alleged will be forwarded as soon as practicable by the principal to the Human Rights Officer. If the report was given verbally, the principal shall personally reduce it to written form within 24 hours and forward it to the Human Rights Officer. Failure to forward any harassment or violence report complaint as provided herein will result in disciplinary action against the principal. The investigation may also consist of any other methods and documents deemed pertinent by the investigator.

In determining whether alleged conduct constitutes a violation of this policy, ACHIEVE should consider the surrounding circumstances, the nature of the behavior, past incidents or past or continuing patterns of behavior, the relationships between the parties involved and the context in which the alleged incidents occurred. Whether a particular action or incident constitutes a violation of this policy requires a determination based on all the facts and surrounding circumstances.
- D. In addition, ACHIEVE may take immediate steps, at its discretion, to protect the complainant, pupils, teachers, administrators or other school personnel pending completion of an investigation of alleged religious, racial or sexual harassment or violence.
