HEALTH SCREENING ISOLATION & TESTING

Parents and/or guardians should screen students daily for COVID-19 symptoms prior to sending them to school. If a student tests positive, the student must stay home for five days and may return on day six. Days 6-10, the student must wear a mask. If symptoms persist after day five, the student must stay home for days 6-10. The above practice must be followed by staff as well.

Face Covering Guide

Transportation:

- Face Coverings will not be required during the 2022-2023 school year unless the CDC and/or MDH reinstate mandatory face coverings on school buses.

Masking Requirement:

- None; however, all masks are optional for student/family/staff personal use.

Achieve Language Academy Safe Return to School Plan 2022-2023

Face Covering Guide

In the event of reinstating mask usage: Face Covering Means

- A cloth or paper disposable mask, scarf, bandana, or religious face covering that covers the mouth and nose completely

Face Shield Means

- A clear face shield that extends below the chin in the front, to the ears on the sides and with no gap between the forehead and the headpiece

Face Covering Does Not Mean

- Any mask that includes a valve, hole, gaps, or openings to facilitate easier breathing, or made of a material such as mesh with such openings

Social and Emotional Wellness & ALA Staff

- The ALA staff provides confidential support, resources and follow up services to the entire ALA community-students, families and staff members.
- Our hope is to provide a culture of care and support to those who may be experiencing various difficulties as we navigate through an international pandemic and a distance learning model. Difficulties may be related to social emotional learning, mental health, and well-being.

Students with IEP and 504 plans

- ALA is committed to continue to provide our students who live with disabilities a free and appropriate public education (FAPE). We are steadfast in our commitment to meet the requirements of Individuals with Disabilities Education Act (IDEA), Part B and Part C and Section 504 of the Rehabilitation Act. We are working closely with the Minnesota Department of Education (MDE) and all our contracted services to continue to provide the best possible service to your students.

Students with IEP and 504 plans

- The Special Education Team is working on unique and appropriate ways to communicate, support, and deliver high quality special education services. All IEPs and 504 plans will continue to be implemented. The Special Education Case Managers will be reaching out to the students and families directly to help set up more supports and communication tools as needed.

Achieve Language Academy Safe Return to School Plan 2022-2023

English Learners

- ALA will continue to support the needs to the English Learners. We will work to communicate with the families who do not speak English as a primary language and support the learning at home through scaffolding supports through our English Learner Teacher.

Achieve Language Academy Safe Return to School Plan 2022-2023

English Learners

- English Learners will continue to receive researched based, appropriate support that will allow them to access the homework and online content. An English Learner Teacher will be reaching out to all students within the program to make certain supports are in place and all materials are accessible to the families as needed.
