

## November/December 2022 - Newsletter

### Greetings students and families of Achieve Language Academy!

After a three year absence, the ALA Fall Carnival was a huge success. Estimates of over 700 people entered the school and participated in the many activities as well as partaking in the wonderful food in the cafeteria. Each Fall Carnival is an effort to simply build our school community, but this year's carnival also netted the school almost \$700 rather than the expected cost to the school of \$1000. With these funds, the school will be able to provide additional programming in the spring and/or next year. A special thank you to all who came out to support this event. With the parking lot full and many families parking blocks away, it is truly evident that our school community is engaged and united after almost three years of limited community building programs due to Covid restrictions.

## Veterans Day Recognition:

A special thank you to all who participated in honoring our veterans. We thank each member of our community who has served our country. Also, we thank Ms. Vondriska for her work in planning and executing this event.

## Superstars in the making:

Congratulations to (L to R) Marcelis Stafford, Jaylen Martin & Scott McKinley III. These three students have participated in a local football league and were part of the championship team, which finished the season undefeated. Hopefully, we'll see them in Achieve Language Academy uniforms in the spring!!!

## Heart-Felt Farewell:

We are both sad, yet proud, to share that one of our staff members has left Achieve Language Academy. Ms. Sydney Nelson has transitioned out of state. We wish her well as she pursues her goals in California.

Good luck Ms. Nelson!!!

## From Dr. Windham:

It is always my pleasure to share information with you regarding our incredible school and school community. As you reflect on the upcoming events, opportunities for engagement, and necessary steps to ensure a safe and successful school setting, I welcome the opportunity to speak with you, should you have any questions. My door is always open and I look forward to seeing each of you when the opportunity presents itself.

As we begin to enter in the colder months, this is the time when we typically begin to see an uptick of student absences due to illness. We have already begun to see large numbers of students out with various forms of ILI (Influenza-like Illnesses). The MN Department of Health (MDH) has issued guidelines regarding school response and potential school closures due to ILI outbreaks in schools. To be clear, schools are NOT required to close for any level of ILI outbreaks; however, we are required to report any outbreak of 5% or more of our entire student population out, or 3 or more students out from any single class. To date, we have already met this threshold and self-reported. If we deem it necessary to close the

# Achieve Language Academy

school for

a day in order to fog/spray the school to kill any germs, we will alert families well in advance. As of right now, there are no immediate plans for closing. It is my goal to look at days off already on the calendar to spray the school if deemed necessary.

So, please continue to monitor the health of your students during this busy time of the year in light of the increased levels of ILI in our school and local communities.

## Noticias - noviembre/diciembre 2022

---

### **¡Saludos estudiantes y familias de Achieve Language Academy!**

Después de una ausencia de tres años, el Carnaval de Otoño de ALA fue un gran éxito. Estimaciones de más de 700 personas asistieron a la escuela y participaron en muchas actividades, además de probar la comida maravillosa en la cafetería. Cada Carnaval del Otoño es una oportunidad para desarrollar a nuestra comunidad escolar, pero el carnaval de este año también le proporcionó a la escuela casi \$700 en lugar del costo esperado para la escuela de \$1000. Con estos fondos, la escuela podrá proporcionar programación adicional durante la primavera y/o el próximo año.

Muchas gracias a todos los que vinieron a apoyar este evento. Con el estacionamiento lleno y muchas familias estacionados a cuadras de distancia, es realmente evidente que nuestra comunidad escolar está comprometida y unida después de casi tres años de programas limitados y de desarrollos comunitarias debido a las restricciones de Covid.

## Reconocimiento de los Veteranos:

Un agradecimiento especial a todos los que participaron en honrar a nuestros veteranos. Agradecemos a cada miembro de nuestra comunidad que ha servido a nuestro país. Además, agradecemos a la Sra. Vondriska por su trabajo en la planificación y ejecución de este evento.

## Superestrellas en ciernes:

¡Felicitaciones a (I a D) Marcelis Stafford, Jaylen Martin & Scott McKinley III. Estos tres estudiantes han participado en una liga de fútbol local y fueron parte del equipo campeón, que terminó la temporada invictos. ¡Con suerte, los veremos con los uniformes de Achieve Language Academy en primavera!

## Una despedida sincera:

Ambos estamos tristes, pero orgullosos, de compartir que uno de los miembros de nuestro personal ha dejado Achieve Language Academy. La Srta. Sydney Nelson ha hecho la transición fuera del estado. Le deseamos lo mejor mientras persigue sus metas en California.

¡Buena suerte Srta. Nelson!

## Del Dr. Windham:

Siempre es un placer compartir información con ustedes sobre nuestra increíble escuela y la comunidad escolar. Mientras reflexiona sobre los próximos eventos, las oportunidades de participación y los pasos necesarios para garantizar un ambiente escolar seguro y exitoso, agradezco la oportunidad de hablar con usted, si tiene alguna pregunta. Mi puerta siempre está abierta y espero verlos a cada uno de ustedes cuando se presente la oportunidad.

A medida que comenzamos a entrar en los meses más fríos, este es el momento en que normalmente comenzamos a ver un aumento de las ausencias de los estudiantes debido a una enfermedad. Ya hemos comenzado a ver una gran cantidad de estudiantes con diversas formas de ILI (enfermedades similares a la influenza). El Departamento de Salud de MN (MDH) ha emitido pautas con respecto a la respuesta escolar y el posible cierre de escuelas debido a brotes de ILI en las escuelas. Para ser

claros, las

escuelas NO están obligadas a cerrar para ningún nivel de brotes de ILI; sin embargo, estamos obligados a informar cualquier brote del 5% o más de toda nuestra población estudiantil, o 3 o más estudiantes de cualquier clase. Hasta la fecha, ya hemos alcanzado este umbral y lo hemos autoinformado. Si consideramos que es necesario cerrar la escuela por un día para empañar/rociar la escuela para matar los gérmenes, alertamos a las familias con suficiente anticipación. A partir de ahora, no hay planes inmediatos para el cierre. Mi objetivo es mirar los días libres que ya están en el calendario para rociar la escuela si se considera necesario.

Por lo tanto, continúe monitoreando la salud de sus estudiantes durante este tiempo ya que se ve un aumento en los niveles de ILI en nuestra escuela y las comunidades locales.
